CNCF Financial Services User Group

Cheryl Hung, @oicheryl
CNCF Director of Ecosystem

Two independent initiatives, starting in 2018.

- Alexis Richardson (Weaveworks) and Jon Meadows (JP Morgan)
- Craig McLuckie (VMWare)

In Q1 2019 FSUG was formalized under the CNCF.

- 15-20 banks, fintech startups and other companies running Kubernetes in highly regulated environments.

Principles

KubeCon

CloudNativeCon

Europe 2019

1. CNCF acts as a neutral host
2. Not a standards body - code over meetings
3. End users only

Mission (1)

KubeCon

CloudNativeCon

Europe 2019

To foster interest and engagement from the finance industry to address security, regulatory and compliance related issues when using cloud native platforms.

Mission (2)

CloudNativeCon

Europe 2019

This includes the preparation of agreed best practices for the use of cloud native technologies in a regulated financial services context, including interaction with common regulators and auditors.
